Autumn leaves appear warm and rich colors, such as gold, orange-red, brown, etc. . These colors are not only compared with each other and harmonious unity, for the carpet design provides an excellent color combination. You can choose the red maple leaves, Gingko's golden yellow, brown indus as the main color, to create a strong atmosphere of autumn. Consider color gradients and transitions, imitation of leaves in dierent light color changes, so that the carpet more layered and three-dimensional sense.
